

Fee: \$100

APPLICATION TO REGISTER STUD DOG  
UNDER THE FROZEN SEMEN REGISTRATION PROGRAM

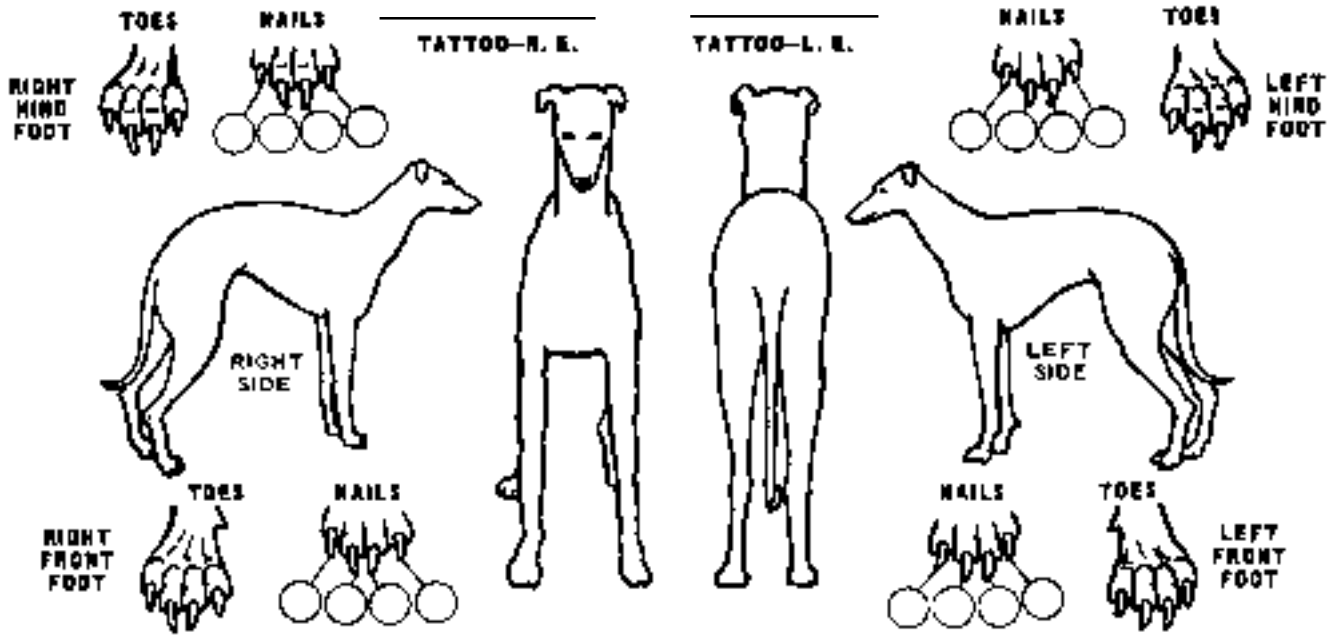

Application is made to register the Greyhound \_\_\_\_\_  
as a stud dog under the Frozen Insemination program.

Initially, this sire shall be collected by:

\_\_\_\_\_  
(Storage Center)

Complete bertillon below. (Bertillon should be taken directly from the Greyhound)

The applicant hereto agrees to hold the National Greyhound Association harmless for any situation or problem that may arise at the NGA-approved Frozen Insemination Storage Center, Satellite Facility or the facility of an approved inseminator, that may result in the loss or destruction of this Greyhound's semen, or refusal of NGA to register matings involving frozen or chilled semen collected from this Greyhound. Moreover, the applicant agrees to hold the NGA harmless with respect to the quality of any semen collected from this Greyhound for purposes of use in the NGA's Frozen Insemination program.

\_\_\_\_\_  
(Date)

\_\_\_\_\_  
(Owner's or FI Lessee's signature)

If granted, stud dog identification number issued: No. \_\_\_\_\_
