

## **AGC PLACEMENT PROGRAM GRANT GUIDELINES**

Qualifying non-profit Greyhound pet placement organizations should meet the following criteria and be approved by a majority of the AGC's allocations subcommittee:

1. Must provide evidence of having a tax-exempt number
2. Must provide a copy of charter and list of officers
3. Must provide a summary of its screening procedures of potential pet owners
4. Must provide copy of its spaying or neutering policies (sterilization mandatory before placement)
5. Must provide a copy of all brochures, forms, documents used in its placement process
6. Must provide a brief summary of the numbers of Greyhounds placed in the previous year
7. Must not make false or negative statements about the racing industry (applicant should provide statement on this issue with application, along with any evidence of position)
8. Must provide its fee schedule for placement
9. Must provide a specific explanation as to how the funds requested would be utilized
10. Must provide a financial accountability report of the funds granted (either receipts or audited reports in lieu of receipts) within 60 days of allocation
11. Must provide any letters of endorsement from racetracks, NGA members or others
12. Must detail any intent to use funds for veterinary care for any individual Greyhounds

\*\*\*\*\*

Funds must be utilized for food, medicines, bedding, collars, leashes, fuel, etc. Grants have been raised to the \$1,250 range. No organization shall receive funds exceeding \$2,500 in any fiscal year. Applicants are limited to capital improvements grants (one or several) total not to exceed \$5,000 every five years. There must be some form of matching grant in money, materials or labor. In accepting a grant, a group agrees, if possible, to assist in temporarily housing other Greyhounds in an emergency situation and that it is subject to AGC inspection.
